

FLORIDA GOURD SOCIETY, INC.

June 20, 2011

Dear Vendors,

It is time for all of you to start thinking about the 2012 official Florida Gourd Show, February 24-26, 2012

As this is new location for the 2012 show, you will be able to choose your booth location on a first come first serve basis. All indoor booths are about 10' x 10', with patch booths 8'x8'. There will be space available for outdoor booths, tents will be your responsibility. The cost of indoor booths is \$65 which includes 1 table & chair, no additional cost for electricity. Outdoor booths will be \$55 per space, no table or chair provided, and electricity is not guaranteed. Your payment must be received by the deadline of November 30, 2011.

This year, we will give out "passports" to everyone, and on each passport will be the name of each vendor with a space for a specific stamp. Each vendor will receive a designated stamp to put on the passports, but the participant must come by your booth and attend a short demo or talk with you in order to get their passports stamped. Once they receive all the stamps, the passports are put into a container and on Saturday night, there will be drawings for prizes. There will be an open BBQ and entertainment for everyone Saturday night. There will be a 2 hour lunch break each day this year, with classes ending at 6 PM, and the show ending at 4PM on Sunday.

We appreciate your hard work every year and your talent and look forward to seeing each and every one of you. Please let us know what we can do to make this an exciting and profitable show for you.

Our 2012 theme is "Gourds are Springing up all Over".

Thank you for your participation in our past Shows.

Fonda Haddad
Vendor Chairperson

"Rusti" Nichols
Show Chair
